INT. PLANE - MORNING

JULIE, a passenger, finds her seat in Coach Class & sits next to her friend, JEFF. The FLIGHT ATTENDANT approaches Julie.

FLIGHT ATTENDANT

Good morning! Welcome on board. We have a special promotion going and you've been selected to join us up in First Class.

JULIE

Really? Oh, wow! Oh, but I can't leave my friend, Jeff. Do you have another First Class seat?

FLIGHT ATTENDANT

I'm sorry, no. We just have the one seat.

JEFF

Julie, you should go! When else are you going to get to fly First Class? I'll be just fine back here.

JULIE

Are you sure? Well, ok...

Julie & the Flight Attendant make their way up to First Class, where there is already a blanket, a pillow & a bottle of water waiting for Julie.

FLIGHT ATTENDANT

Can I bring you another blanket or pillow?

JULIE

Oh, no. This is just perfect. Thank you.

FLIGHT ATTENDANT

You're welcome. Here at Classist Airlines, we want you to be comfortable. Can I offer you a beverage other than water?

JULIE

(lowered voice)

Well, um...this is my first time in first class. Is it too early for a screwdriver? I mean, it's only 8am, but I could really use a drink.

FLIGHT ATTENDANT

Honey, you can have anything you'd like! I'll bring you a screwdriver right away.

Flight attendant disappears to the galley & returns with a screwdriver.

JULIE

Oh, thank you so much. Could I bother you for extra peanuts?

FLIGHT ATTENDANT

It's no bother! Anything you'd like.

Flight attendant brings back peanuts.

FLIGHT ATTENDANT (CONT'D)

Is there anything else I can do for you right now?

JULIE

So, um, I know since 9/11, people don't really get to go up to the cockpit anymore, but it would really mean so much to me if...

FLIGHT ATTENDANT

Of course, honey! You can have anything you'd like. You're in First Class, now! I bet the pilot will even let you fly the plane for a bit.

JULIE

Seriously? Whoa! That's probably the coolest thing I'll ever do in my life.

Julie goes up to the cockpit, flies the plane for a few minutes, causing the plane to toss people around.

FLIGHT ATTENDANT

You know what would be even cooler? Joining the mile high club. I saw a

FLIGHT ATTENDANT (cont'd)
very attractive gentleman in coach.
I'll go get him for you.

JULIE
Really? Oh, wow. I can't believe
this is happening.

Julie disappears into the tiny lavatory with a handsome man
& returns with her hair disheveled.

FLIGHT ATTENDANT
(whispers)
Hey, do you want to get on the
intercom and make fun of the coach
people? Especially your friend? Go
for it. You can do anything you'd
like. You're in first class.

JULIE
OK! (on the intercom) Hey, everyone
in Coach Class. Yeah, that includes
you, Jeff: hope you're enjoying
your inadequate legroom and
boozeless drinks! I'm getting
wasted AND laid up here. Woohoo!
Sucks to be you.

FLIGHT ATTENDANT
Is there anything else I can do for
you, Miss?

JULIE
I don't know how to say this, so
I'll just say it. My friend, Jeff,
kinda pissed me off this morning.
He told me my hair looked like a
possum with a bad weave. I feel
like he should pay for that
comment.

FLIGHT ATTENDANT
I'll take care of it.

The Flight Attendant proceeds to escort Jeff to the door.

JEFF
Wait...what's happening? If this is
about the extra peanuts, it's ok. I
don't need them! Julie, what's
happening?

The Flight Attendant tosses the man a backpack with a
parachute in it & then opens the door to push him out.

JULIE
Wait!...Let me!

Julie enthusiastically pushes Jeff out of the plane.

JULIE (cont'd)
Well that was quite a rush!

FLIGHT ATTENDANT
Like I said, anything you'd like.

JULIE
I'd really rather go to Aruba than
Detroit.

FLIGHT ATTENDANT
Done.

Blackout.
